

**IN THE SPECIFICATION**

Please substitute the specification attached hereto (pages 1-10 labeled "SUBSTITUTE SPECIFICATION") for the English language translation of PCT/FR2003/003500 submitted with the filing of this application on May 26, 2005.

The substitute specification adds Applicant's priority claim to PCT/FR2003/003500 (and FR 02 14867 filed November 28, 2002), adds headings to the specification description conforming to U.S. Patent Office practice, adds paragraph numbers, and corrects spelling, grammar and context errors which have been noted in the English language translation of PCT/FR2003/003500.

No new matter has been added. Acceptance of the substitute specification is accordingly requested.

A copy of a red-line comparing the substitute specification to the specification part of originally filed English language translation of PCT/FR2003/003500 is also attached hereto for the Examiner's consideration. 37 CFR 1.125.
